RESOLUTION

New Delhi, the 20th March, 1965

No. 3(8)/64-SG.IV.—In pursuance of paragraphs 3 and 4 of Supplementary Agreement on a study of the development of a grain storage system in India under Indo Swedish Financial Development Co-operation Agreement, the Government of India has decided to appoint a Study Team of Indian and Swedish experts, the latter at the recommendation of the Government of Sweden, to conduct a general survey and analysis of questions relating to the establishment of an efficient grain storage system in India.

2. The composition of the Team will be as follows:—

1. Shri K. D. N. Singh, Deputy Director General (Food), Department of Food.
2. Shri Tore Olbjer, Storage Expert and Civil Engineer, Sweden.
3. Shri Oller Landenmark, Agronomist, Sweden.
4. Shri Agne Niber, Storage Expert and Senior Design Engineer, Sweden.
5. Shri O Muthachen, Additional Chief Engineer (Food), Central Public Works Department.
6. Shri (Dr.) S. V. Pingle, Director Storage and Inspection, Deptt. of Food.

Shri B P. Sikder, Food Department, will be Secretary to the Team.

3. The following will be the terms of reference of the Team:—

(a) to make an economic—technical survey of the grain storage and handling facilities in the ports of Kandla, Bombay, Mormugao, Cochin, Madras and Calcutta, taking the following items into consideration:

(i) Production and imports of different cereals,

(ii) location of big consumption centres,

(iii) transport resources,

(iv) climatic conditions,

(v) existing or definitely planned storage plants,

(vi) existing or planned ports with respect to grain receipt;

(b) to make an analysis of surplus and deficit areas and define the most economic distribution of domestic surplus grain and imported grain,

(c) to suggest, on the basis of (b), the ways to split up the total amount of imported grain between different ports of India; and

(d) to make an analysis of the need for supplementary buffer storage facilities in the interior of India in direct connection with the flow of grain from the actual ports.

5. The Team will submit its report to the Government of India and recommend new storage investments, including location, type of storage, storage capacity, handling and treating equipment.

ORDER

Ordered that a copy of the Resolution be communicated to all concerned. Ordered also that the Resolution be published in the Gazette of India for general information
